MINISTER'S MESSAGE - Pentecost 2022

'I will send down showers in this season; there shall be showers of blessings.' Ezekiel 34 : 26b

Accept Pentecost greetings in the name of our risen and ascended Saviour Jesus Christ and welcome to another message from my desk during this time of Pentecost celebrations of the church and the Platinum Jubilee of our Queen.

Pentecost is commemorated on the seventh Sunday after Easter when the Church celebrates the descent of the Holy Spirit on the disciples of Jesus after his Ascension into heaven. Jesus called the coming of the Holy Spirit, "the gift that the Father promised". This gift was transformative because after the event, the eleven disciples of Jesus were radically changed. Before Pentecost, they had been ordinary fishermen. They panicked in the face of danger and hardly comprehended what Jesus was teaching. They fell asleep during crucial moments of prayer and competed for top positions. They rebuked Jesus for talking about the cross and even denied knowing him when he was arrested.

After Pentecost, they were completely different. They were not nervous in the face of danger. They stood up to the very ones they had been afraid of and uttered strong and righteous statements instead of foolish and cowardly ones. They were filled with joy even in the face of great suffering and lived lives that gave vibrant testimony to Jesus Christ, going all over the world to boldly proclaim the gospel of Jesus. They laboured tirelessly, loving not only their friends but even their enemies, and willing to die for the cause of Christ.

As we celebrate Pentecost this year, we are thankful to God for the blessings we have received from the abundance of God's grace and pray that the Holy Spirit would fall afresh on us for greater exploits in the service of the Lord. We thank God that with increase easing of lockdown measures from covid, our congregation can now worship more freely, enjoy the congregational singing better including our beautiful choir singing introits and anthems more clearly without the use of face masks. We thank God for enabling us to successfully start Messy Church on Saturday 28th May. A massive turn out of families for this first day showed great promise for this new initiative in our congregation. We are hoping that more families in the community would find Messy Church a significant form of church for our children and adults as it provides an opportunity for creativity and hospitality. And that through this evangelistic programme the church and its members will receive fresh anointing from the Lord and be richly blessed in much the same way as the disciples of old who sought these spiritual blessing and went on to proclaim Christ boldly.

The hymn 'Even Me', with first lines, 'Lord I hear of showers of blessing Thou art scattering full and free' was written by Elizabeth Codner. One day she was reading the bible and came across a verse in Ezekiel that said, 'I will cause the shower to come down in his season; there shall be showers of blessing' (Ezekiel 34:26). While she was thinking about that verse a group of youths returned from a mission trip to Ireland and were excited that a spiritual awakening was going on in that country. They told her about it, but Elizabeth wondered whether these young people were just spectators to the revival, or if they had experienced the outpouring of God in their own lives. So, with the verse in Ezekiel still fresh in her mind, she said, 'while the Lord is pouring out such showers of blessing upon others, pray that some drops will fall on you'. A few days later, she wrote 'Even Me'. A few lines of the hymn would strengthen the point: Lord, I hear of showers of blessing Thou art scattering full and free; Showers the thirsty land refreshing - let some drops now fall on me. Even me, even me, let Thy blessing fall on me...

As we celebrate Pentecost, coinciding with the Platinum Jubilee of the Queen, may we thank God for the blessings of new life in Christ through the Holy Spirit and the gift and preservation of the life of the Queen and her distinguished reign in Great Britain. Let us seek God's blessings to strengthen us through our challenges in this life and enable us to be ambassadors for Jesus Christ. And let us remember that when the light of the Holy Spirit shines in our darkened hearts, we begin to experience supernatural blessings: There is cleansing power, there is joy, and there is an abiding peace.

Every Blessing

NEWPORT CHURCH VISION STATEMENT

Our vision is to be a church which inspires people with the Good News of Jesus Christ through our enthusiasm, worship, witness, nurture and service.

God's Continuing Reassurance

Despite the onset and ensuing chaos of the Covid-19 pandemic which brought disruption across the entire planet, thankfully and reassuringly nature and the seasons have progressed virtually uninterrupted, with only minor variations attributed to the cumulative effects of Global warming.

How heartening it has been to witness the arrival of Spring accompanied by the profusion of snowdrops and the 'hosts of golden daffodils' which adorned our parklands and countryside, heralding new life and new beginnings throughout the land. In our ponds tadpoles swim excitedly beneath calm waters, while fluffy ducklings and cygnets develop their aquatic skills above. From the tree canopy and rooftops fledglings defy gravity, fearlessly launching themselves into flight, often terminated by not such graceful landings.

In more recent times, as restrictions ease and freedoms are once again enjoyed, the yellow floral blooms of Spring have given way to the purple, pink and blue hues of Summer with bees and butterflies in close attendance. Purposeful walks to maintain our sanity during lockdown are now replaced with leisurely strolls where conversations with those we meet stretch to more than a hurried and distanced "hello".

Regardless of the global impact of the pandemic, the human loss and suffering, the lockdown and imposed restrictions, you cannot deny that some far greater force remains at work in our land, a powerful and dynamic influence on every aspect of our lives and the planet we inhabit. Yet, why should we as Christians be so surprised? why should we begin to question the interactions and experiences we encounter in life? for we have God's continuing reassurance that He will protect us from all that could cause us harm.

"When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord your God." Isaiah 43:2

May I take this opportunity to wish you all a happy and enjoyable Summer, and if you are going away on holiday, then I pray that you will enjoy safe travel and benefit from a restful vacation.

A 'Big' Birthday!

As we read in Psalm 90 v 10 "Our days may come to seventy years, or eighty, if our strength endures";, but one of our members has far surpassed that.

On Sunday 22nd May 2022, Mr Jim Stephen celebrated his 100th birthday!

Mr Stephen celebrated his big birthday with family and is pictured here with his telegram from the Queen. Jim contributed a lot to our church over the years – he was an Elder, a Sunday School teacher, he played the piano for the Sunday Club and most recently he made pancakes for manna.

Congratulations on your 100th Birthday Jim!
May God continue to bless your life with good health and happiness.

manna matters

manna Mondays. Some Mondays have been extremely busy and others less so. We will continue to review how busy we are over the summer months. We do encourage everyone to visit manna and support us in whichever way you can at this challenging time. We have our outside seating in addition to indoors. You can even enjoy a Cornetto or tub of Mackie's ice cream while enjoying the sunshine.

Our Fairtrade gifts are selling particularly well at this time which is very encouraging. We will soon be stocking cards by our very own Catherine Johnston. This is in addition to the cards we already stock by Julie West from Morton Lochs. Our other very popular artist supplying cards is Gina Wright from Wormit, again very local.

We are still supporting other good causes in manna. We currently have cards and postcards to raise money for Zolotarevo in Ukraine. As many of you know Newport-on-Tay is twinned with Zolotarevo in the Ukraine and we wish to help in whatever way we can.

We are still looking for volunteers who are available to help us in manna particularly Monday - Friday shifts.

Please keep manna and our team in your prayers.

On a personal note, Gordon and I were blessed with a grandson on 17th May. Our son Richard and his wife Pauline had a lovely baby boy (Richard) making Rachel a big sister.

God bless for all at manna.

Vigil

We have managed to maintain the Vigil 4 Ukraine each Thursday evening at 7pm, even in spite of one or two windy evenings.

Please do join us if you are around at that time. We usually have a short prayer and reflection at 7pm lasting 5-10 minutes and then everyone adds a few ribbons to the ribbon flag - you may have noticed that it is filling in nicely.

Cards for Ukraine

So far we have raised £425 in donations (including both card sales and freewill donations). This has been transferred to the Newport and Zolotarevo Twinning Association's bank account for sending on to Ukraine.

Thanks very much to Catherine Johnston and Jan Winch for their art work.

We only ordered an initial batch of 100 and will be putting in a further order soon.

If you haven't had a look at the greeting card or postcard yet, please do and consider buying some.

Lunchtime Summer Concerts: 'Wednesdays@One'

Dates for your diary: Wednesdays: 20th and 27th July and 3rd and 10th August at 1pm for 30-40mins. Planning for the Summer Concerts is going ahead well, with Hannah recruiting her musician friends and colleagues for this year's events and even for next year. This aims to showcase local musical talent and utilise the church building and fine organ. Hopefully, this will also raise some funds for the Newport Guild which will be able to underwrite our other projects.

The exact programme is still being finalised and will be advertised very shortly - do look out for details.

Ways to support your Guild

Please tell your friends and family about the above projects.

If you have any suggestions about other projects we can start or get involved in please do let us know. Why not think about joining us? (Contact Catherine Merrylees or any Guild member for more information.)

Count your Blessings

This was one of the themes of our worship on Sunday 15th May 2022. I was fortunate enough to be at the service and wanted to share some of my reflections with you.

As is often the case I arrived at church just as the service was starting. With a busy mind I hurried to a pew worrying more about whether I was in the right section than the call to worship. Then the introit started, and what a blessing it was.

Able led by Hannah, a quintet of choir members sang a beautiful rendition of 'Count your Blessings'. This was enough to quieten my mind and allow me to focus on the service.

The theme of counting our blessings continued throughout our time of worship. From the children's address to the sermon and intercessions the message was loud and clear.

I felt so grateful to be able to be part of the experience and my mind started to notice all the blessings that exist in our congregation. The strength of Christian fellowship, care and dedication to making worship accessible to all knows no bounds.

Thank you to everyone who makes this happen, the Worship team for leading our services, Hannah our amazing organist for the uplifting music, our choir for leading the singing, Chris, Neil and all those leading our young people, the tech team for making sure our services are available to those members of our church family unable to join us in person and not to forget the silent heroes who week in and week out prepare our building for worship and fellowship afterwards (Morag Rowley, Margaret Wright and Margaret Imlay).

Two final grateful blessings.

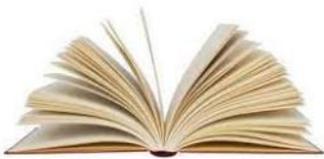

Firstly, to you all, for your unrelenting commitment to prayer and worship.

Secondly, I am thankful for God's love and forgiveness - especially when I am running late for the service!

Book Group

Do you enjoy reading and talking about books?

For a number of years a book group has met in Kirk House using books supplied by the library service. On a Tuesday afternoon every 6 weeks we meet for an hour to talk about the current book - and lots of other things! Over the years our number has gradually dropped and we would be delighted to welcome new members who are happy to give their thoughts on what they have read. The aim is to enjoy swapping opinions on the books without becoming too serious.

Please contact me if you are interested or would like further information.

Appeal to the Congregation

There are still opportunities for people to help on the following teams which we are reinstating after Covid.

One is the Welcome Team who greet and assist worshippers as they enter the Church on a Sunday morning.

Another is our Funeral Team - a group of elders and church members who will attend to open the building and assist the Funeral Director and their team to facilitate the smooth running of the service conducted within our church.

Interested parties please contact the Session Clerk.

Sunday Club Update

Teaching

We are still looking at the series on 'Acting Justly' based on the Energize materials. We will continue this until the end of the school year with sessions on social justice and the environment yet to come. In addition, we have had some recent sessions related to specific events in the church calendar for Ascension and for Pentecost.

Things to look forward to:

~ Closing Service

The Service on the 26th June 2022 will be an end of year celebration for Youth Seekers, Sunday Club and Creche. It will mark the end of another year allowing us to recognise and value all the children in the church.

This will be an all age service and once again we want to involve the children in many aspects of leading the worship. Arrangements as to what everyone will be doing will be agreed with children and parents in advance.

As usual all the Sunday Club will sit together at the front of the church.

Parents of Sunday Club children, please note that the children should all meet at 10.45am in the church hall unless agreed and notified in advance.

~ Congregational Picnic

After the closing service, the congregational picnic will then take place at Tayfield, weather permitting, or in the church hall if it's raining. This is not just for the children of the Sunday Club and the Youth Seekers and their families, but for everyone in the congregation - so do come along if you can and bring a picnic and a rug.

There will be games and ice-cream will be provided!

We would aim to start about 1pm so feel free to go straight from Church after coffee or go home first to change.

~ Funday Sundays

Children's activities will continue with fun and games over the Summer Holidays in the Funday Sunday activities. A big thank you to everyone who has helped out over the past year. I am still looking for some people to help over the summer. Please get in touch with me if you feel led to help.

Please note:

Sunday Club will recommence on Sunday 21st August 2022 with a service of dedication followed by some fun activities.

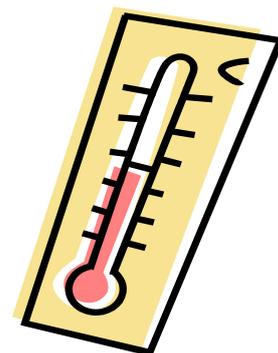

Update on Sunday Club Sponsorship of Rimberto from Bolivia

As you will know, we have committed to sponsoring through World Vision, Rimberto, a young boy from Bolivia. The children keep up-to-date with Rimberto's progress through frequent reports received from World Vision. This allows them to better understand the lives of children growing up in very different circumstances and to pray for Rimberto and his family and #community in a relevant and intercessional way.

Fundraising

We continue to fundraise through the regular weekly offerings of the children and other donations from members of the congregation and other friends.

Please do feel free to have a look at the information board in the Sunday Club room with some background about Rimberto and copies of letters sent and received.

General Information

For further information about World Vision and its work, do have a look at their website: www.worldvision.org.uk

THE BOYS' BRIGADE

> the adventure begins here

We are fast approaching the end of our session, which we will celebrate in an intimate way, due to our very small number of boys. Our finale will likely be a Parents' Night & Presentation of Awards with less ceremony than our traditional annual Display. Nevertheless, it should still be a worthwhile evening for anyone (not just parents) wishing to attend and support our members. We are hoping to hold this later in June.

Meanwhile, our regular activities have continued following the Easter holidays, with the usual fun and excitement for our boys. Our evening themes this past month have varied from Ukraine to Christian Aid's Droughts & Dams programme to the obvious focus on our Queen's Platinum Jubilee Celebrations.

We were delighted that BBHQ managed to speedily issue the results of the Juniors International Team Games – a set of six straightforward, but challenging, games submitted by Companies around the globe. Despite our team comprising of only 5 boys (instead of the usual 6) and all of them aged 8 (while most other teams will have boys up to 10 or 11 years old), we managed to come a very creditable 97th out of 176 teams who entered. Nevertheless, we still managed to beat teams from Dundee to Australia, via Thailand. The overall competition was won by 32nd Nottingham Company's A Team, while the 6th/8th Dundee Company's A Team finished fifth.

On the evening of Thursday 2nd June, three of our boys were privileged to be able to attend the lighting of Fife Council's beacon marking the Queen's Platinum Jubilee. This was held in Methil and was preceded by a parade of uniformed organisations which also included Air Training Corps, Army Cadets, Sea Cadets, Girl Guides and Scouts. A memorable occasion for all present.

We all wish you a relaxing summer and look forward to enjoying the break before things all start up again in the autumn!

Philip Owen
Company Captain

Editorial

As we approach the summer, I started to think about what summer actually means. The dictionary definition is 'the season of the year between spring and autumn when the weather is warmest, lasting from June to September'.

Naturally the summer will mean different things to different people. For young people sometimes the summer means holiday camps, these could be sport, dance, music or maybe even Christian based. For many the summer is maybe just an opportunity to sit back, relax and enjoy a slower pace of life for a short time. For some it is going away for a change of scenery and a hotter country! For some it is being active, travelling and exploring. For some it is just work as normal as day to day life doesn't stop just because it's now summer!

Summer can feel a time of change. At school, college and university the exams are finished. Some students leave school for good and prepare for the next stage of their lives. The holidays are approaching which bring excitement, calm, a change to routine and maybe even some sunshine!

Whatever the summer means to you I hope you find some rest and relaxation but also time doing the things you enjoy.

God Bless
Claire
